## An explanation of Non-Jumping Classes—Veteran or Disabled Handler as follows:

### NON-JUMPING CLASSES - VETERAN OR DISABLED HANDLER

Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only.

The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.

When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

## EQUIPMENT

All Equipment will meet NADAC specifications and will include an A-Frame, Dog Walk, both with rubber surface, tunnels, hoops, weave poles with gap between poles of 24" & pole height of 42", winged & wingless jumps.

## RUNNING ORDER

Friday & Saturday - Tall to Small

Sunday- Small to Tall

### **SITE INFORMATION**

The surface indoors is rolled dirt. It is a multi-function arena so horses and cattle may have used the facility previously. There are indoor bathrooms. There will be crating space available inside the arena. We ask, when possible, that crates be stacked. Standard 4' by 4' X-pens will be allowed, but only for use by 2 or more dogs. 4' by 4' X-pens to be used by only 1 dog will only be able to be set up outdoors; if you set up indoors with this intention and space becomes limited it will be requested that you move to outside the building.

As with every trial any of us have ever attended picking up after your dog{s} is a handler responsibility and must happen. This is a very nice site and we want to be able to hold many trials here. Please help us in keeping the site clean and as we found it before arriving with lots of dogs. We hope you come to this show and have a wonderful fun time with your dog{s}. Thanks for your cooperation on these matters.

### **NOTICE TO EXHIBITORS**

All healthy, trained dogs over eighteen (18) months of age are eligible to compete in NADAC agility trials. All dogs, including Novice are required to have a NADAC registration number in order to enter a trial. Bitches in heat, lame, or blind dogs are ineligible for entry as is any dog with a deformity which may cause a judge to not be able to reasonably assess the dog's ability to function and perform agility obstacles safely and in a manner that is in the best interest, health and welfare of the dog. Any dog which demonstrates aggression towards any person or any dog, whether inside the ring or outside the ring, must be excused from the agility trial. Any dog which the judge feels is not in enough control to perform all obstacles in a safe manner will be excused from the agility trial. The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the Trial Committee. Refunds will be made for bitches that come in season after the closing dates (Less Administrative Fee). Handler must present a Vet Certificate before the show starts. Refund of entry fees before the closing date will be charge an administrative fee of \$25.00/dog entered. Refund of entry fees after the closing date will be charge an administrative fee of \$35.00/dog.

Returned checks do not constitute a valid entry. No refund for duplicate entries. Care will be taken to find duplicates, however, if an entry has been processed, no refund will be made.

It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dog and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Trial Committee be asked to leave the trial site. Dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area. Bitches in season are not permitted in the Trial.

Exhibitors alone are responsible for being at the ring gate when it is their turn to run.

Exhibitors may wear shirts or insignia of their training group if they wish. No food, toys or devices of any kind are permitted on the course. Unsportsmanlike conduct, including rough handling or misconduct of any kind, will result in being excused from the ring.

**IMPORTANT.** Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the files section of the [NADACAgility@yahogroups.com](mailto:NADACAgility@yahogroups.com) list within two weeks after the NADAC office receives them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the

[www.NADACAgility@yahoo.com](http://www.NADACAgility@yahoo.com) list and set your settings to "no mail". You will be able to view trial results and check for any possible discrepancies, without receiving list mail. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

**Levels.** Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.
